

## GEORGIA PERKS LETTER

### [CONVENTIONAL PRICING]

*New pricing effective August 15, 2022*

Choosing Loebsack & Brownlee as your Eviction Service Partner comes with some “perks” that we think you might enjoy.

The **first “perk”** is that we provide flat fee pricing for ALL types of eviction cases, not just for non-payment of rent. With Loebsack & Brownlee, your properties will not have to pay “by the hour” anymore for any of their eviction cases, *including* tenant appeals.

#### *Flat fee pricing for conventional residential evictions:*

- 1) Basic: \$90 per eviction (non-payment of rent cases that don’t involve tenant defenses or other legal issues requiring a trial).
- 2) Answer Or Affirmative Defense: When a tenant files a Written answer and a Court appearance is required, \$20 is added to the Basic Fee above. Where the resident raises a legal defense in court and the attorney must conduct a full trial to obtain judgment, a fee starting at \$50 is added to the Basic fee above.
- 3) Other Than Non-Payment: Starting at +\$65 per eviction added to Basic fee (cases for reasons other than simple non-payment).
- 4) Second Appearance: +\$300 per appearance added to Basic fee (cases that require additional court appearances for any reason after the initial hearing).

The **second “perk”** with our service is that Loebsack & Brownlee does not charge extra for any legal questions that a Property may have about the eviction cases we file for you. *Phone calls and emails about any of the evictions you file with us are **included** as part of our flat fee pricing...no legal bills.*

Finally, Loebsack & Brownlee also offers *fixed-fee pricing for representing you in tenant appeals cases* that arise out of evictions that we file. For each case, a fixed fee is charged at the outset of our representation. Additional fees may be required, but as with all of our pricing, the fees are flat rates and presented to you in advance.

In addition to our standard flat-fee prices for “Basic” cases, there are occasions when supplemental fees are charged by our attorneys for additional legal work that was involved in the handling of a specific case. Please click [here](#) to see a current list of ancillary charges that might be invoiced to you in such instances. These fees can change from time to time, so please check back anytime if you’d like to review our current pricing.
